余额 1,518.00

可按时间/类型查看账单明细

将银行卡的钱充到数字钱包中

将数字货币转存到绑定的银行卡中

包含“可视卡”和“预付卡”

The image shows a mobile application interface for a digital wallet. At the top, there is a navigation bar with a back arrow, the text '新手指引' (New User Guide), and a search icon. Below this, a list of management options is shown in a dark box: '个人管理', '绑定银行卡管理', '限额管理', and '支付密码管理'. The main screen features a red header with '数字钱包' (Digital Wallet) and icons for '付款' (Payment) and '转账' (Transfer). Below the header is a large white card representing the wallet's balance, showing '余额 1,518.00' (Balance 1,518.00) and the ICBC logo. Below the balance card are two buttons: '充钱包' (Recharge Wallet) and '存银行' (Save to Bank). At the bottom, there are icons for '优惠券' (Coupons) and '尽享高原优惠' (Enjoy High Plateau Discounts). Several callout boxes with white text and dark backgrounds point to specific features: one points to the transfer icon with the text '填写对方钱包ID/手机号、昵称进行转账。'; another points to the balance card with '可按时间/类型查看账单明细'; a third points to the '充钱包' button with '将银行卡的钱充到数字钱包中'; a fourth points to the '存银行' button with '将数字货币转存到绑定的银行卡中'; and a fifth points to the bottom area with '包含“可视卡”和“预付卡”'. The background of the entire image is dark with some faint, stylized patterns.
